## HCS FILTER CARTRIDGE

The HCS Filter Cartridge has been redeveloped to use less cellulose material and specifically designed layers were added for better particle removal down to sub-micron size.

Water retention capability has been improved and the new cartridge cleans faster. Each cartridge holds up to 1.5kgs of contaminants.

### APPLICATIONS

- Hydraulic Oil
- Gear Oil
- Transmission Oil
- Diesel Fuel
- Other Fuels
- Engine Oil
- Transformer Oil
- Other Oils
- Gasoline

### CARTRIDGE SIZES

**CODE HOC88SD (HCS Super Duty Cartridge)**  
Suitable for: HCS Super Duty Filter Unit (HFU88SD)  
Height: 100mm  
Diameter: 200mm  
Single item weight: 850g

**CODE HOC78HD (HCS Heavy Duty Cartridge)**  
Suitable for: HCS Heavy Duty Filter Unit (HFU78HD)  
Height: 100mm  
Diameter: 145mm  
Single item weight: 450g

**CODE HOC68LD (HCS Light Duty Cartridge)**  
Suitable for: HCS Light Duty Filter Unit (HFU68LD)  
Height: 106mm  
Diameter: 120mm  
Single item weight: 200g

Doc Code: HCS-IMS-MD-08/Rev.3/Jan2017
